

Greetings everyone!

We would like to give an update on the progress of the Bakijulula school. As you know, Lynda and I visited Uganda in 2019, and we saw the need to provide clean water for Bakijulula village. In November of 2021, Lynda, William, and I visited Bakijulula village and dedicated the well that many of you so generously gave to. Thank you United Team International, Community Church International and friends and relatives of Danie & Lynda Packard.

While visiting Bakijulula village, Lynda was shocked at the condition of their school. God put it on our hearts to do something for the children in the village. The pictures below are of their present school.

(Lynda sitting in front of the current Christian school)

(Christian students in the current school)

At the United Team International Fall 2022 conference, the church family took up the challenge to build the Christian school for the children of Bakijulua village. They raised \$4,000 dollars to start building the school. If Lynda was able to talk, I'm sure that she would tell you that she would like to see the classrooms finished. Below are pictures of what was accomplished with the \$4,000 dollars.

The cost of finishing the 3 classrooms is \$6,000 dollars. This will cover the cost of the floors, roof, windows, and doors. This will make it so that the Christian parents will no longer have to send their children to the Muslim school. This will be a great witnessing tool for the Christians of Bakijulula village.

Please consider joining UTI, CCI, and family and friends of Danie & Lynda Packard to see this project finished. Checks can be made payable to United Team International. You can enter Bakijulula School in the memo line. Mail checks to either:

Danie Packard
101 Merriam Ave N
Thief River Falls, MN 56701

Community Church International
17042 160th Ave NE
Thief River Falls, MN 56701

Thank you for supporting this worthwhile project.

Sincerely,

Danie & Lynda Packard
